 - Parking Area
 - Harbor Pathways
 - Signage
 - Historic Information Building

Attendance - In Person – Dave Hoffman (Facilitator, Jeff Kellner, Deb Marino, Wendy Nolin, Jon Bowers, Muriel Bergeron Phil Schwarzkopf, Sharon Parsons, Doug Carey; Absent – Chris Lockwood, Jan Harrison

Japanese Knotweed – Phil Schwarzkopf updated the group on additional developments and volunteer days upcoming – tentatively scheduled for Monday April 14, 2025. Anticipating to cut down dormant JKW and create pile to further dry out and to prepare for bagging or burning or other disposal approach based on input from the Town's JKW Task Force

Trail Design Elements – Committee continues to focus on the Harbor Hill lot. Jeff Claus joined the group and shared on screen examples and initial recommendations/alternatives for creating flat open public space, improved dumpster enclosure, parking area minor changes, suggested pathways for routing of the trail, and alternatives for possible relocation of the historic information booth. The Committee agreed upon the primary design/program elements in each of the aforementioned areas/aspects of the Harbor Hill lot. Jeff will make minor refinements and the presentation materials will be made available at upcoming Forward Sunapee xCommittee and general public sessions in April and May to solicit feedback and generate interest in the community.

No other new business and meeting adjourned
